

New World Masterclass Series

PRE - EVALUATION

Check All That Apply

When the child is angry, frustrates, anxious or depressed, does she/he:

- Take out feelings on others
- Get revenge
- Use the silent treatment
- Say mean or rude things
- Scream at someone
- Run away
- Break something
- Hit someone or something
- Swear
- Drink
- Smoke cigarettes
- Use drugs
- Refuse medication
- Refuse suggestions
- Overeat
- Make suicidal gestures or statements
- Withdraw
- Dwell on negative emotions
- Feel like a victim
- Blame others for his problems

RESULTS

If you checked at least three behaviors on this list, your child is exhibiting inappropriate behaviors that may lead to problems with self or others.

If you checked more than three behaviors on the list, your child is exhibiting serious behavior problems and needs more serious interventions now!

Empowering Parents and Educators

At Inertia Justice Enterprises Inc., we believe in unlocking the potential of every child, special attention on students with behavioral challenges. Our New World Masterclass Workshops provide comprehensive training and support for parents and educators, effectively addressing the needs of these students.

Why Attend our Workshops?

- Gain In-Depth Knowledge:** Our workshops offer a deep dive into the world of behavioral challenges, equipping you with the understanding, strategies, and tools necessary to make a lasting impact on the lives of these students.
- Expert Guidance:** Learn from our team of experienced professionals who specialize in behavioral challenges and have a proven track record of success in transforming the lives of students.
- Network and Collaborate:** Connect with like-minded parents and educators who share similar experiences and challenges.
- Practical Strategies:** Discover effective techniques and evidence-based practices that can be implemented immediately in your everyday interactions.

Tameka White
President

“With the proper tools and strategies every child can SUCCEED”

Workshop Topics

- Understanding Behavioral Challenges:** Explore the underlying causes and factors contributing to behavioral challenges in students. Learn to recognize the signs and symptoms, and gain insights into how to respond effectively.
- Positive Behavior Support:** Discover strategies to promote positive behavior and reduce challenging behaviors in the classroom and at home, using direction as discipline.
- Individualized Education Plans (IEPs):** Learn how to develop comprehensive plans that address their unique needs, set achievable goals, and monitor progress effectively.
- Communication and Collaboration:** Enhance your communication skills to foster positive relationships with students, parents, and colleagues.

About Us

Inertia Justice Enterprises Inc. is a dynamic company that specializes in innovative programs aimed at empowering, encouraging, entertaining, and educating both businesses and customers.

Our groundbreaking New World Masterclass Workshops have revolutionized the way educators and parents address behavioral challenges in students.

We have successfully cracked the code for effectively redirecting, empowering, and encouraging students to rediscover their passion for education, ultimately changing the course of their lives.

We've done our homework and would love an opportunity to share our notes!
